A circular diagram representing a microarray layout. It consists of two concentric circles. Between these circles, there are 12 small circles arranged in a ring, each labeled with a letter from A to L. The labels are positioned as follows: A is at the top right, B is at the top, C is at the top left, D is at the left, E is at the bottom left, F is at the bottom, G is at the bottom right, H is at the right, I is at the top right (inner), J is at the top (inner), K is at the top left (inner), and L is at the left (inner).

Pin No.	Phase
A	U
B	V
C	W
D	FG
E	BK+
F	BK-
